

Elia's Farewell!
BY GEORGE A. POULICE.

Kiss me, mother, ere I go
To yonder starry shore;
Clasp my hands, and whisper low,
For angels guard the door?
Kiss me, mother, let me feel
Thine arms around me thrown;
For oh, dear mother, shadows steal,
I would not be alone!

In summer's time, dear mother, thou
Wilt come to Elia's grave,
Wilt to the sods thy pale cheek bow,
And I weep for thee could'st not save;
Wilt come to Elia's grave, dear mother,
Didst thou not say so?
While budding hopes thy pure heart nursed
Of her, to the so dear!

Yes, oh, my mother, were thou not,
For Elia rest should find
Within a holy happy spot,
Where friends are ever kind.

Kiss me, mother—now I go—
Bright seraphs hover near—
Whisper, mother—whisper low,
And dry that starting tear.

I'll meet thee in a happy land,
A home from sorrow free—
Thou'lt come to Elia's grave, dear mother,
I'll haste to welcome thee!
Sing me a lay of love, as now
I fade and fade away—
Farewell, dear mother, soon we'll meet
In realms of endless day!

The Two Candidates.
There is as little similarity as possible between the two principal candidates for the Presidency, Douglas and Lincoln. Douglas is a stout, firm built man, capable of great physical and mental endurance—Lincoln is tall, spare, loosely made, with a look as though he had seen too many hard winters for him to be able to see many more and preserve either his bodily or mental health.

Douglas never tells a story, and fails if he undertakes—Lincoln fails if he undertakes "anything else" but never in that.

Douglas is always argumentative and carries the audience with him by the power of his reasoning only—Lincoln is facetious, abounding in anecdote and wit, but seldom rising above the dignity of logic, and "takes the crowd" more by their feelings than their judgment.

Douglas at first strikes one as being a remarkable man—Lincoln as being nothing remarkable.

Douglas, commencing life as a poor, friendless boy, has made his way up to the very pinnacle of fame, and coming up through a constant series of official service, the people know him to be capable and deserving—Lincoln, commencing in the same manner, has failed to raise himself above the common grade of political life, and owes all that he now is to accident, and never having served in any prominent position, is undeserving anything at the hands of the people.

Douglas is a man of extraordinary talent—a man that has been tried a thousand times and always found equal to the task imposed upon him—Lincoln is simply the man who is a candidate against him.

Douglas will be President of these United States, and his administration will be distinguished for its energy, promptitude and good management generally—Lincoln will be the man who ran against Douglas and was defeated.

Coming out of the Party.
We have never before witnessed such a stambede. Everywhere—in every State, County, and township—men are deserting old Lincoln by scores and hundreds, and coming out for Douglas—the all-defiant, self-reliant, Little Giant. The newspapers for awhile published names; but they had to abandon the plan for want of space. We have before us a catalogue of men sufficiently numerous to people a whole territory, exercise Popular Sovereignty, regulate their own institutions in their own way, and exclude Slavery according to the Constitution, who say they have voted the Republican ticket for the last time.—*Logan Gazette.*

Mr. S. W. Robinson, of Wisconsin, Me., who for several years has acted with the black republican party, has written a letter declaring himself for Douglas and Johnson, Mr. Charles Clark, of Rockland, Me., ex-member of the City council, has also repudiated the black republican party; and so has Mr. S. L. Whiting, a merchant in Rockland.

The Xenia News, a Republican paper, pays this compliment to the Bell men:

"But we can't speak so favorably of the Bell and Everett leaders. A more corrupt set of political harlots never existed. They riot in swindling and moral debauchery of every sort.

The Bell men will undoubtedly, feel thankful for this compliment.

In 1858 the Republican papers were extravagant in extolling Mr. Douglas and in support of his views, Mr. Douglas now, is just where he was then; and still the Republicans, honest, consistent souls, are now torturing his course to be for slavery, just because it suits their party purposes to deceive and lie.

One of the Worst Cases ever Recorded!
CINCINNATI, O., Feb. 16, 1860.
MRS. A. L. SCOVILL & CO.

Gentlemen—I will give great pleasure to give my testimony to the efficacy of your SARSAPARILLA AND STILLINGIA, or Blood and Liver Syrup, which I have used three and a half years since, I was attacked with a SCROFULOUS WHITE SWELLING, which was attended with most excruciating pains. I tried various remedies, and had two of the best Physicians of the city, (one of them a Professor in an Old School Medical College), and they failed to give me any relief. I was so reduced that I could not walk. I had more than ONE HUNDRED PILES OF BONE, some of them from three to four inches long, and some from one to two inches wide. I have used altogether more than ONE HUNDRED PILES OF BONE, some of them from three to four inches long, and some from one to two inches wide. I have used altogether more than ONE HUNDRED PILES OF BONE, some of them from three to four inches long, and some from one to two inches wide. Blood Purifier and Blood Pills!

DR. WM. HALL'S BALSAM FOR THE LUNGS,
FOR THE CURE OF
Consumption, Decline, Asthma, Bronchitis, Wasting of Flesh, Night Sweats, Spitting of Blood, Hooping Cough, Difficulty of Breathing, Colds, Coughs, Indigestion, Flatulency, Pain in the Side, and all Diseases of the Lungs.

15,000 DOLLARS REWARD
IS OFFERED FOR A BETTER RECEIPT.
IT CONTAINS
NO OPIUM, CALOMEL, NOR MINERAL POISON!
And is safe for the most delicate child.

It is estimated that 150,000 persons die annually in the U. States, and not entirely satisfied with its merits, and Professor Eberly says that a vast number of these could be saved by the timely use of good proper remedy.

Dr. Hall's Balsam strikes at the root of the disease at once, and such is its speedy effect that any one using it freely according to directions for twenty-four or forty-eight hours, and not entirely satisfied with its merits, may return it and receive back their money. The most distressing cough is frequently relieved by a single dose, and broken up in a few hours! It has been found to do not have to take hold after bottle before they find whether this remedy will afford relief or not.

The public have been imposed upon by remedies recommended by certificates which have always originated from some unknown source. We believe that a medicine possessing real merit will effect cures wherever it is used, and will be found as above. This is no puerile preparation, but one which if used in season will save the lives of thousands.

It has effected cures in numerous cases, where the most skillful physicians in this country and in Europe have been employed, and have exercised their skill in vain. Cases which they have pronounced incurable, and surrendered as hopeless beyond a doubt, leaving the patients without a single ray to lighten them in their gloom, have been cured by Dr. Hall's Balsam, and the victims of consumption" are now vigorous and strong as the most robust among us. And these cures are not isolated ones; they are numerous, and can be pointed out in every community where this most unrivaled remedy has been tested.

Be slow, to believe the oft-repeated story about the lungs being gone; or rather let no such apprehension induce you to give up. Act upon the principle that while there is life, there is hope. You can never be so low that you may not trust, humanly speaking, in Hall's Balsam. More than one, may, hundreds have it brought almost from death to life, and to the enjoyment of perfect health. Call on the agent and get a pamphlet gratis. The treatise on consumption alone is worth the price of the medicine. You will find certificates of physicians in Cincinnati, and of others whose cures have been effected here at home, where they can be found.

IF PHYSICIANS WILL USE IT, WHY IS IT NOT SAFE FOR THE PEOPLE?
CINCINNATI, Nov. 2.
MRS. A. L. SCOVILL & CO.

Dear Sirs.—The public generally are fully aware of the thousands of remedies for disease, under the name of "Balsams," "Purifiers," "Lungs," etc., that are daily brought to their notice through the newspapers, by way of advertisements. My object in writing this notice for publication is to induce the public, or at least those who are afflicted, (if they will use patent medicines), to use one that contains articles of real use in pulmonary diseases, and to convince them that in doing I am acting most unprofessionally, and derogatory to the interests of medical science and the regular practitioners of medicine.

The medicine to which I refer is Dr. Hall's Balsam for the Lungs. I have prescribed it in a large number of cases, and always with success. One case in particular to which I wish now to refer, was given up by several physicians who had been called in consultation with myself. The patient had all the symptoms of consumption, such as cold night sweats, hectic fever, harassing cough, continued pain in the lobe of the right lung, attended with severe distress. He commenced immediately to get better by the use of the above-named medicine, and was soon restored to his usual health! I have also found Dr. Hall's Balsam the most valuable expectorant for breaking up distressing coughs and colds that I have ever used.

W. D. WRIGHT, M. D.

More Physicians' Testimony.
We, the undersigned Physicians of Cincinnati, certify that Dr. Wright's statements are true, and we can fully corroborate what he has said, having used Dr. Hall's Balsam in a number of cases with the happiest effect.

DR. ROBACK'S SCANDINAVIAN REMEDIES.
When Dr. Roback, the celebrated Swedish Physician, introduced his Blood Purifier and Blood Pills in the United States, he set forth in plain language their curative properties. This was years ago. The task of recommending them has since been taken out of his hands. Enlightened men whose character for sound judgment and philosophy, gives their opinions weight in the community, men who observe, reflect, and make "assurance doubly sure" before they decide—are everywhere approving and urging the use of these wonderful Preparations. All who confide in the wisdom and honesty of this class, or who choose to investigate for themselves are now of one mind on this important subject.

Dr. Roback invites the attention of the sick to the

ORIGINAL LETTERS,
from members of the Medical Profession, Editors of public journals, well known Merchants and Farmers, and Ladies of the highest respectability, giving accounts of extraordinary cures wrought by the remedies, of which cures they themselves were

EYE WITNESSES.
These parties have been called personally or by letter, by those who have any doubt upon the subject. The evidence in the possession of Dr. Roback, which is at all times accessible to the public, establishing the following

FACTS:
That the Blood Purifier and Blood Pills have been proved by analysis to CONTAIN NO MINERAL,
That they cure the almost universal complaint of SCROFULA,
with unerring certainty, and in a very short time. That after all other medicines have proved useless, they relieve
LIVER COMPLAINT,
and restore the health and strength of the sufferer. That SICK FEMALES, who have languished for years in helpless weakness and dependency, recuperate with great rapidity under their invigorating operation. That all sexual disabilities are removed by their cordial and gentle stimulating properties. That they recruit
SHATTERED CONSTITUTIONS, however they may have been trified with and abused; that their direct tendency is to lengthen life, and render it enjoyable. That operating directly upon the poison of the disease in the blood they

CAUSE SOON TO HEAL,
and discharge from the system, every taint of Scrofula, whether hereditary or otherwise. That they REPAIR THE DEBILITATED, and that there is no disease of the Stomach and Bowels, the Liver and Nervous System, the Skin, Glands or Muscles, arising from impurities or obstructions of the blood or secretions, in which they do not give prompt relief, and (if administered before the very crisis of life has been invaded), effect a painless and perfect cure.

Bear in mind that the Scandinavian Vegetable Blood Pills are endorsed by the experience of thousands of living witnesses, who, in letters, affidavits, medical works, and by word of mouth, proclaim them to be the very best preparation of the kind ever offered to the broken down victims of ill health. They hunt disease through every avenue and organ of the system, and expel it thoroughly and permanently.

No one can doubt their superiority after one single trial—they are not only better but in fact, cheaper than any other Pills, for it takes a less number of them to produce a better effect.

Price of the Scandinavian Vegetable Blood Purifier, \$1 per bottle, or \$5 per half dozen. One Scandinavian Vegetable Blood Pills, 25 cents per box, or \$1 per dozen.

Read Dr. Roback's Special Notices and Certificates, published in a conspicuous part of this Paper from time to time.

Dr. Roback's Medical Almanac and Family Adviser, containing a great variety of interesting and valuable Medical information, can be had gratis of any of his Agents throughout the country.

In difficult or complicated Cases, Dr. Roback may be consulted personally or by letter enclosing one stamp for the reply.
